TO ALL FISHSALESMEN AND PORT OFFICERS

22 December 2015

Dear Sir

TRIGGER PRICES

I attach for your information a schedule of the trigger prices we intend to implement as from 1 January 2016.

The Organisation's Port Officers will continue to grade members' landings in accordance with the existing grading regulations. In the event of fish failing to sell at or above the trigger price, I would ask the salesmen to inform the Port Officer in the first instance. The Port Officer or the salesman should contact Dale Bellamy at the Fraserburgh factory (01346 513777) who will make arrangements to have the fish uplifted.

Yours faithfully

**JOHN ANDERSON
CHIEF EXECUTIVE**
